**Go-Kart Party**  
The most fun kids can have!

**Why be the Apprentice  
.....Be the Boss**

Our parties are completely mobile and weather-proof, as they can be operated indoors at leisure centres or school halls, so the onset of winter weather is never a hindrance as when parties go inside, so do we!

Children are the best customers, especially with the pester power they can use over parents, so our franchise is self-promoting. Working in a protected territory with low overheads, the business can be operated from home using venues sourced by the Go Kart Party team, which now extends to over 50 operators.
